Subject: Uranium Mining-Goliad County

Stacy:

I understand that the aquifer exemption for uranium mining in Goliad County is imminent. I am still opposed. Attached is a guest editorial that will be published in the Victoria Advocate. Please forward to the Mr. Ron Curry, who I believe is the new Administrator. Or send me his email address, and I will send editorial to him directly.

There is a passage in the bible that says, "For those who believe in God, no proof is necessary; for those that don't, no proof is possible." Unfortunately, for this controversial issue not all the proof has even been presented.

Thank you.
